Structure of Brand Management

Manuel Gonzales Cuesta, markets some of the best loved and most trusted brands, many of which, are the category leaders in their respective countries. Our brands are consistently category leaders in the European markets and some of them in our country Dominican Republic.

Our Marketing vision is focused in building leading brands that our consumers trust and believe could make their lives easier, healthier and more fun. At the moment the marketing team is composed by four divisions: Provision Goods, Confectionery, Beverages, and House Ware.

Our Brand management team is composed by: Qualified, diverse, talented, and committed people constantly learning, growing and contributing to our communities. Developing and implementing innovative ideas to build our brands and drive our business.

Other Companies

La Bodega

A Few years ago the custom of the wine consumption became important in our society. Therefore, in 1999 opens its doors the wine store, conveniently named “La Bodega”, meaning of a wine storage, in order to emphasize the position of wines, imported and commercialized by the company with a criterion of professionalism in the handling, transportation, conservation and distribution.

La Bodega, offers an ample variety of exclusive lines of wines, liquors and distilled, offering to the Market, products of the most recognized Winery zones of the world. In this elegant as well cozy place, our clients can choose their merchandise in confidence, since our products are kept with the strictest care.

In our product list we offer the following lines:

Ernest Julio Gallo
Santiago Ruiz
Vega Sicilia
Cousiño Macul
Señorío de Nava
Roda
Osborne
Bolla

The changing and ascending market of wine demands new methods and criteria that are not only classified in the commercial aspect. In a special atmosphere, La Bodega is opened the whole the year to our clients, offering them:
